Payers, Value-Based Care and Physician Burnout

WHERE PAYERS STAND TODAY:

**REDUCING PHYSICIAN BURNOUT**

- 9 out of 10 payers believe they have a role to play
- 1/3 now taking action
- More than 1/2 have not taken action but are making plans to do so

**PAYER TOOLS ARE MAKING PRIOR AUTHORIZATIONS EASIER**

2019: 58% vs. 2018: 41%

**ALIGNING PAYMENT AND QUALITY IMPROVEMENT DATA TO INDIVIDUAL PROVIDERS IS UP**

2019: 45% vs. 2018: 34%

**LARGER HEALTH PLANS MORE WIDELY REPORT SUCCESS IN CERTAIN AREAS**

Opportunities for both large and small payers prevail

- Collaboration and alignment of shared cost/quality goals
- Improving physician satisfaction

LARGER PLANS:
- 71% vs. 38% smaller plans
- 58% vs. 36%

Geneia LLC is a healthcare analytic solutions and services company that focuses on improving systems to support personalized, patient-centered care. We help clients improve outcomes, lower costs and restore the Joy of Medicine to physician practice. Our technology, education and training, insights and clinical services simplify the evolution to value-based care and drive alignment and collaboration among healthcare providers, health plans and employers.

*Advancing Data-Driven Value-Based Care, HIMSS Media Research Report, sponsored by Geneia, May 2019. This research was conducted to understand how health insurance carriers, third-party payers and health plan administrators are leveraging data and data-driven strategies to advance value-based care. Findings are based on 100 payer management and staff participants. Geneia was not identified as the sponsor.*

Geneia can help your organization transition to data-driven, value-based care.
